2 General

2.1 This Nomination Criteria is issued by Swimming Australia the National Federation. The National Federation must provide, or otherwise make available, this Nomination Criteria to all Athletes.

2.2 The National Federation may only nominate Athletes to PA in accordance with this Nomination Criteria.

2.3 This Nomination Criteria will take effect on and from 1 June 2020 and will cease to have effect at the conclusion of the Games.

2.4 This Nomination Criteria applies to:

(a) all Athletes;

(b) the National Federation; and

(c) PA.

2.5 The terms of the PA General Selection Criteria for Tokyo 2020 are incorporated by reference into this Nomination Criteria.

3 Long List

3.1 For the purpose only of identifying prospective members of the Team, the National Federation and PA will maintain a Long List of Athletes.

3.2 The purpose of the Long List is to create a list of potential athletes, some but not all of whom will be nominated by the National Federation.
4 Athlete Quota Positions

4.1 The National Federation may only nominate Athletes to PA for selection to the Team where, pursuant to the Qualification System, the International Federation (WPS) has awarded PA athlete quota positions.

4.2 The National Federation may not nominate more Athletes than are permitted to be nominated by PA under the Qualification System and Quota system.

4.3 The National Federation may nominate a maximum number of 17 male and 15 female athletes. This number of 32 total is the team size.

5 Eligibility Criteria

The National Federation will nominate each Athlete as at the Nomination Date, where the National Federation is satisfied on reasonable grounds that the Athlete:

(a) is a member of the National Federation;
(b) satisfies the Qualification System;
(c) is likely to satisfy the PA Selection Criteria;
(d) has not breached the PA Anti-Doping policy, unless the Athlete has been sanctioned for the breach and has completed the sanction imposed;
(e) does not, and is not likely to in the foreseeable future, suffer from any physical or mental impairment that would prevent the Athlete from competing at the Games to the highest possible standard for that Athlete; and
(f) satisfies the Classification Eligibility Criteria.

6 Classification Eligibility Criteria

6.1 Swimming Australia will only nominate an athlete who holds a valid international classification, listed on the WPS classification master list, with a sport class and sport class status that meets the requirements under the Tokyo 2020 qualification guide. Athletes must be Internationally classified with a ‘Confirmed’ sport class status or a ‘Review’ sport class status with a review date after 31 December 2021. Athletes must also agree to;

(a) abide by the WPS Para sport classification rules and regulations, the IPC Athlete Classification Code and any relevant PA and/or Swimming Australia classification policies and requirements, including attending classification assessment as required.
(b) complete any classification education modules as released by WPS, Swimming Australia or PA
(c) disclose previous classification documentation and/or medical diagnostic documentation from relevant specialists for classification.
(d) notify Swimming Australia, Paralympics Australia or WPS if there is any changes in level of impairment, medical intervention undertaken, or medical history which may impact their classification in any way, and agrees to undergo further classification assessment if required.

6.2 Swimming Australia will only nominate athletes who have not breached the WPS classification
rules and regulations, or the IPC Athlete Classification Code, unless the athlete has been sanctioned for the breach and has completed the sanction imposed. However, if the sanction was equal to or greater than 2 years, the athlete is ineligible for nomination. For purpose of this clause, a breach may include, among other things:

(a) An athlete under investigation for Intentional Misrepresentation where a notice has been issued, or the athlete has been sanctioned under the WPS Classification Rules and Regulations; or
(b) A failure to comply with an athlete’s obligations under the WPS Classification Rules and Regulations.

6.3 Paralympics Australia reserves the right to review the selection of athletes, including deselection, if exceptional circumstances arise that relate to the athlete classification for the sport or classification qualification criteria as detailed in the Tokyo 2020 Paralympic Games Qualification Guide.

7 Nomination Criteria

Individual Paralympic Events

7.1 Subject to clause 7.4, the first, second and third fastest Athletes, per Paralympic Class, who equal or better the Swimming Australia Qualifying Time in any race of an Individual Paralympic Event at the Qualifying Event and who are available to swim in that Individual Paralympic Event at the Games will be nominated to PA for selection to the team.

7.2 If less than three Athletes are selected for an Individual Paralympic Event at the Qualifying Event, then an other Athlete who has been nominated and who has produced an official race time in 2019 that equals or betters the IPC meet entry time for that specific event will be able to nominate for that individual event. Entries will be ranked on time.

7.3 If the number of Athletes who achieve a Swimming Australia Qualifying Time at the Qualifying Event exceeds the maximum number of quota places available under the Qualification System, then:

7.3.1 each Athlete’s performance in the Individual Paralympic Events will be compared by ranking the performances based on the 2019 WPS World Rankings (three athletes per nation, all countries included) and the higher ranked Athlete will be given priority for nomination; and

7.3.2 in the event of a tie for the final position on the Team based on the 2019 World Para Swimming Rankings, then the 2019 Multi Class Point Score will be used to compare each Athlete’s performance in the Individual Qualifying Paralympic Event, and the athlete with the higher scoring performance will be given priority for selection; and

7.3.3 in its sole and absolute discretion, the National Federation may prioritise relay swimmers over Athletes who achieve Swimming Australia Qualifying Times in Individual Paralympic Events.

7.4 Irrespective of this clause 7, the National Federation will only nominate Athletes who, in the opinion of the National Federation, in its absolute discretion are, and will remain, a positive ambassador for the Sport, the National Federation and the Games.
Relay Events

7.5 In determining which Athletes will be nominated for Relay Events, the National Federation may have regard to any, all or none of the following factors, in its absolute discretion, which may or may not be exercised:

(a) the Athlete's past relay performances at domestic and international competitions including past relay skills, such as changeover times and splits;
(b) the Athlete's physical form and fitness;
(c) the benefit or detriment of the Athlete's membership in the relay with respect to relay dynamics and team performance; and
(d) any other factors the Swimming Australia head coach considers relevant.
(e) will be most likely to achieve the highest competitive results at the Games; and
(f) are, and will remain until the conclusion of the Games, positive ambassadors for the Sport, the National Federation and the Games.

Meeting Slot Allocations

7.6 In determining the total nomination of athletes and alignment with the number of quota positions for male (17) and female (15) as outlined in 4.3. After the athletes who equal or better the Swimming Australia Qualifying Time as per 7.1, and after additional relay athletes have been included as per 7.5, Athletes may be nominated on a discretionary basis subject to quota slots remaining using the following criteria, which is not in priority order, is not exhaustive, the application of discretion does not require all of the criteria to be considered and is subject to sufficient places remaining for the event (three (3) per nation). This is at the complete discretion of the national federation selection committee and may be based on the below considerations;

(a) Closest percentage to Qualifying time.
(b) Athletes unable to compete at the qualifying event due to injury/illness/classification.
(c) Previous performance record at major championships.

8 Extenuating Circumstances

8.1 In determining whether an Athlete has satisfied the criteria set out in clause 7, the National Federation may, in its absolute discretion, have regard to Extenuating Circumstances.

8.2 In the event that an Athlete determines that they are unable to attend the Qualifying Event, that Athlete must notify the National Federation of their non-attendance in writing as soon as practicable.

8.3 The National Federation may consider an Athlete’s non-attendance at the Qualifying Event to be an Extenuating Circumstance in its absolute discretion. The National Federation may require an Athlete to undergo a medical examination as a condition of treating the Athlete’s non-attendance at the Qualifying Event as an Extenuating Circumstance.

9 Submission of Nominations
9.1 The National Federation must notify Athletes of the Nomination Date in writing and publish the list of nominated Athletes on the National Federation website (swimming.org.au) within 48 hours of the Nomination Date.

9.2 PA may, in its absolute discretion extend the Nomination Date for the National Federation for any reason.

9.3 Nominations submitted to PA must be in the form prescribed by PA or in a form that is otherwise acceptable to PA and include any such information that is required pursuant to the PA General Selection Criteria.

9.4 PA may, in its absolute discretion, accept a nomination submitted after the Nomination Date where it is submitted by the National Federation.

10 Appeals

10.1 Athletes may appeal their non-nomination to PA in accordance with the SA Appeal Charter. A non-nomination decision may only be appealed on the following grounds:
(a) that the applicable Nomination Policy has not been properly followed
(b) that the Decision was affected by actual bias; or
(c) there was no material on which the Decision could reasonably be based.

11 Amendments

This Nomination Criteria may only be amended with the written consent of PA.

12 Governing Law

This Nomination Criteria is governed by the laws of the State of New South Wales.
